*Profits from the convention are one way we support the lobbying efforts of the association. Each year as the legislative session gets longer our lobbying expenses grow larger. It is a never ending fight and we will continue this fight for the rights of the independent tire dealers in North Carolina. Your generosity enables us to also keep the dues cost down so every tire dealer in the state can afford to be a member.

*For your contribution lots of publicity will be given starting with badges. Each sponsored representative badge will have a ribbon showing their category of support. The ribbon will read, "Platinum Sponsor" etc and each will be a different color. All pre and post advertising materials will contain a list of sponsors. The convention program will list all sponsors. Your Company Name and representative will also be recognized at the Awards Banquet.

- Other Reasons to Support include: Newsletter: Advertising Company Name Monthly for 1 year

- ‘Educated Business’ (leaders) are the people that attend these functions
