WHERE YOUR HEALTH COMES FIRST

Durable Medical Equipment Rental & Sales

Heartland Medical Equipment offers affordable quality solutions for all of your home health care needs. With a full range of medical equipment and supplies, Heartland Medical Equipment will provide you with both superior products and a knowledgeable staff. Rediscover the confidence that comes with independence—venture to work, play, school, or wherever your imagination takes you. With the right products, nothing will slow you down!

At Heartland Medical Equipment, we understand that living with certain medical conditions and disorders or recovering from injuries and surgeries can be difficult to cope with, and that shopping for specialty products can be frustrating. It is this understanding that leaves us confident that our trained and experienced consultants will help you find the right solution for managing your condition and regaining your independence. We have been providing quality care and products for 20 years in a comfortable and professional setting and offer educational information designed to help you come to a better understanding of your condition and its methods of treatment.

When you're recovering from surgery or learning to live with a chronic condition, it's important to keep your energy focused on your health. You shouldn't have to worry about your medical supplies or whether you have the right equipment to help ease your transition home. At Heartland Medical Equipment, we'll do all of that for you and more. We provide you with the latest and best in home health care equipment to make your life more enjoyable.
