D.J. Eckstrom Wins Grand Prix de Valcourt

AMSOIL/Scheuring Speed Sports Racer Takes Over Points Lead

Montreal, Quebec

Pro Stock

D.J. Eckstrom and teammate Shaun Crapo put forth excellent performances. D.J. qualified first and Shaun tied for the number two spot.

In the final, D.J. came out of the start at the front of the pack and took the lead within a few laps. Once he seized the lead he never looked back.

Shaun narrowly missed the podium by one spot, ending up fourth.

D.J. now has the points lead in Pro Stock.

Pro Open

Both drivers qualified on the front row again for Pro Open main event.

They lined up on the outside of the starting grid with hopes of quickly slingshotting around the other sleds. Sometimes this strategy works and sometimes it doesn't. It's gutsy. It's a calculated risk. Unfortunately this time it did not work as well as planned. Both drivers got bumped off the track in the first corner.

D.J. worked his way up to an eighth place finish and Shaun rounded out the top 10.

The next races are WPSA Rounds 6 and 7 at the Brainerd International Raceway, Brainerd, MN on March 7-9.
