

**Monitor Medical**  
"The C-PAP Co."  
1-866-634-0177

**The S9 has arrived**

Now available at Monitor Medical are the S9 Series, the newest line of C-PAPs from ResMed. With its user-friendly and enhanced Easy-Breathe technology, the S9 creates a more natural breathing experience, reduces system noise, and has whisper-quiet therapy from the device and the mask.

To learn more about the S9 Series, call our customer service representatives at 1-866-634-0177 or click [here](#).

*Universal  
CPAP Battery*

The Solar CPAP Battery System is a universal CPAP, BIPAP and VPAP

battery pack that is ultra-portable and affordable. Each battery has built in protection against thermal run-away (overheating) and each battery case has an aluminum alloy scratch resistant shell.

*Sleep Apnea Therapy  
Improves Golf Game*

Golfers who undergo treatment for sleep apnea may improve their golf game as well as their overall health, shows new research. A new study found that golfers with OSA who received nasal positive airway pressure therapy lowered their golf handicap by as much as three strokes.
