

Health care premiums
must rise to keep up with
SOARING MEDICAL COSTS.

**Assuming a 10% increase each year, a company
with an annual premium of \$100,000 could pay...**

\$110,000 in 2006...
\$121,000 in 2007...
\$133,100 in 2008...
\$146,410 in 2009...
\$161,051 in 2010...

**Federated's
DEFINED REIMBURSEMENT PLAN
can help keep costs from entering the
stratosphere - Here's how:**

- **You define your coverage level!**
- **You determine your cost level!**
- **You gain control of your plan!**
