

To: Managers of Respiratory Care Services
Health Care Recruiters
Home Care Providers
Directors of Health Care Volunteer Organizations
Friends of Respiratory Care Education

From: Minnesota Society of Respiratory Care (MSRC) Student Affairs Committee and
Minnesota Respiratory Educators' Consortium (MREC)

The MSRC Student Affairs Committee and the Minnesota Respiratory Care Educators are hosting a Respiratory Care **Career/Job Fair**. Please consider participating in our event.

THE JOB FAIR:

- Provides approximately 150 respiratory care students with the opportunity to meet with an array of health care providers and related organizations
- Provides potential employers with an opportunity to establish a first-contact with 'soon to be' graduate respiratory therapist.

LOCATION: College of St. Catherine in St. Paul, Minnesota

DATE/TIME: Friday, February 26th 2010. 9:00 am-noon.

COST: Tables are \$125 each, if fee is paid by 2/26/2010. A \$20 late fee will be charged after 2/26/2010. Please note that a *maximum* number of 3 people **are** allowed per table, *no exceptions*. **Checks should be made payable to the Minnesota Society for Respiratory Care (MSRC)** and mailed to Peggy Lange at the address below.

Following the job fair, managers and representatives are invited to meet with the educators from the Respiratory Care programs from noon to 1:00 for a pizza luncheon and casual exchange of ideas on how to best meet future educational/recruitment/staffing needs in respiratory care. A student Sputum Bowl competition will take place in the afternoon followed by the MSRC Board of Directors meeting.

****Please Note:** The cost for the MSRC Job Fair should be tax deductible for your company and helps provide our sputum bowl student champions an opportunity of a life-time to go to the 56th annual International Respiratory Conference. Please ask for more information when signing up.

TO REGISTER FOR THE JOB FAIR:

Complete the attached form and email, fax or mail the form to:

Attn: Peggy Lange RRT
St. Cloud Hospital
Respiratory Care Department
1406 6th Ave North
