

Minnesota Respiratory Care Foundation Nonin Scholarship

The Nonin Corporation sponsors two annual student scholarship awards of \$500 each. Persons eligible for this scholarship are students enrolled in a Respiratory Care program in Minnesota. Each accredited Respiratory Care program may make one selection from their student body based on the best balance of scholarly achievement, public service, MSRC involvement and leadership potential.

Qualifications

1. Must be nominated by the program director
2. Active membership in the MSRC
3. Enrolled in a Respiratory Care Program
 - a. Must be enrolled as a student as of May 1, 2008
 - b. May be at least a part time student
 - c. May have graduated at award time (Sept. 2008)
4. Supporting materials to accompany the application in 500 words or less:
 - a. Biographic sketch
 - b. Public service/volunteer activities
 - c. Why the student choose respiratory care
 - d. Long range professional goals
 - e. MSRC involvement
5. Emails of recommendation
 - a. Program Faculty member including GPA overall and in Respiratory classes.
 - b. Two non-family persons
