April 6th, 2010

Easter Weekend Brings Success to Bauerly Racing

Kurt Bauerly #318 and Paul Greenwaldt #418 represented Team Bauerly Racing at the WSA Racing Hillcross event April 2nd – 3rd, 2010. The event was held at one of the most popular and well known Hillcross tracks in the nation at Giant's Ridge Ski and Golf Resort in Biwabik, MN. There was racing on Friday but due to heavy rain most of the event occurred on Saturday. The track was exciting and technical on the first half toward the bottom of the hill; creating close exciting racing which then led to the steep part of the hill where it was a flat out drag race to the top. It was a fast paced track hitting speeds over 70 mph in spots so machine setup was key. Kurt wasn't really set up for this type of track but he was able to hold his own and make it work by picking up time in the technical sections, Paul G on the other hand loved the track and rode awesome as always.

Results:

Kurt #318

Pro 600 Improved –	2 nd Place
Pro 700 Improved –	2 nd Place
Pro 800 Improved –	3 rd Place
Pro 900 Improved -	3 rd Place
