

The Good: All pricing below includes the cost of chemicals and labor used at time of visit. • Subtract \$10 per visit if you have less than 20,000 gallons of water (pools only). • Purchase a residential maintenance and add a spa maintenance for \$12 per visit.

The Bad: Chlorine demands, Mineral Springs® Beginnings, Frog Cartridges, Optimizer®, and tech service costs ARE NOT included in pricing below. • Add \$10 per visit if you have over 35,000 gallons of water (any pool over 20 x 44).

Other: Requests for pool maintenance without "Happy Clean" are subject to inspection.

ONCE-A-WEEK CHEMICAL MAINTENANCE ASSIST

CPI will check chemical levels while you are committing to the weekly cleaning and maintenance of the pool. During our visit CPI will add BioGuard® chemicals needed to maintain proper levels. We will also bring a sample back to the store to be computer analyzed.
This one's for the almost do-it-yourselfer.

ONCE-A-WEEK CHEMICAL MAINTENANCE ASSIST

ONE TIME/VACATION/EXTRA VISITS MAINTENANCE

ONCE-A-WEEK MAINTENANCE ASSIST

TWICE-A-WEEK MAINTENANCE

ONE TIME/VACATION/EXTRA VISITS MAINTENANCE

While you're away we will perform a regular weekly maintenance visit. Enjoy your vacation knowing that your pool is being taken care of by a Caribbean technician. The service performed will be the same as the once-a-week visit, however the priority status does not necessarily apply.

ONCE-A-WEEK MAINTENANCE ASSIST

We will assist you with your weekly maintenance responsibilities. Please understand your pool will need attention between our weekly visits. Have fun in your pool knowing we are checking on the pool weekly. During our visit we will brush walls, vacuum pool as needed and add BioGuard® chemicals needed to maintain proper levels, fill any chlorine feeders or "in" skimmer, and backwash when necessary. We will also bring a water sample back to the store to be computer analyzed. With this maintenance option you will be considered priority status with a quicker response to problems that may arise. **New this year, receive a 10% discount on retail or service purchase and no trip charge on service calls while you are on this program*.**

TWICE-A-WEEK MAINTENANCE

We will care for the pool as if it were our own. By choosing this plan you'll know you have lowered your stress levels and can enjoy your backyard oasis to the fullest. During our visit we will brush walls, vacuum pool as needed, add BioGuard® chemicals needed to maintain proper levels, fill any chlorine feeders or "in" skimmer, and backwash when necessary. We will also bring a water sample back to the store to be computer analyzed. **New this year, receive a 20% discount on retail or service purchase and no trip charge on service calls while you are on this program*.**

* discounts cannot be combined with any other offers or sales.
