## EVENTS IN REVIEW

**June 2nd - 7th 2008** - K&H attended the 2008 Americade Motorcycle rally in beautiful Lake George NY! Our dealership was asked to run Kawasaki's retail booth on the Million Dollar Beach right in the heart of the Americade action! The event was a great success, there were many Kawasaki enthusiasts who stopped into our booth to show their appreciation for Kawasaki being at Americade. It was really neat seeing some of our local customers at the event, they were all enjoying their Americade experience! For those of you that have never attended this event make sure you do so in the near future, the riding in this area is some of the best in all of upstate NY! Visit our website for more pictures!

**June 20th 2008** - American Cancer Society - Relay For Life was held on June 20th at SUNY Cortland. K&H teamed up with the Family Heath Network...making a difference team to raise money for cancer awareness by raffling off a brand new 2007 pink Polaris Phoenix 200cc ATV! The winning ticket for the ATV raffle was drawn part way through the relay and the winner was Doug Brock! In conjunction with the proceeds from the ATV raffle and other fund raisers throughout the spring the Family Heath Network...making a difference team was able to raise \$5,835! We would like to thank everyone who purchased a ticket to help support this great cause!
