## EVENTS IN REVIEW

**May 5th 2007** - May 5th was our **Suzuki Grand Opening Celebration!** The event was a huge success, we had a great turn out, everyone seemed to really enjoy themselves and the weather was excellent! Many of the attendees took advantage of the demo rides, it was great to get people out on the new 2007 Suzuki bikes, everyone came back with a huge smile on their face! The Mad Hill ATV Club was on hand to sell hot dogs, hamburgers and drinks and Schwan's was giving away free ice cream! Mad Hill and the Cortland ABATE motorcycle chapter had booths set up to give out information about their organizations. Musical entertainment was provided by a live remote broadcast from WXHC 101.5, this was a big hit! The Mad Hill ATV Club's 50/50 raffle was also drawn; 1,316 tickets were sold with the winner Dave Jones from Georgetown, NY taking home \$658! Congratulations Dave! All of us here at K&H would like to thank everyone who came to the event along with the Mad Hill Riders ATV Club, Cortland ABATE Motorcycle Chapter, the Schwan's Food Company and WXHC 101.5 Oldies.

**May 6th 2007** - The Mad Hill Riders ATV Club in Erieville held a guest ride for us on the 6th. This ride was **AWESOME**, we had close to 40 riders show up! All types of machines came, 4x4 ATVs, sport quads, dirt bikes and dual sport bikes! Mad Hill's riding area provides close to 30-miles of trails that have all types of terrain, there was something for everyone! The riders were impressed with Mad Hill's trails, they were marked quite well and were clear of large obstacles and branches. At the mid-point of the ride we stopped into Mad Hill's club house and had a cook out before continuing our ride! Thank you to all the riders who came and to the Mad Hill ATV Club!!

**May 12th 2007** - We offered **FREE motorcycle inspections** from 9:00am to 11:00am, in that time we completed 43 inspections! This unique event was very successful, we were pleased that so many people took advantage of this offer! May 12th was also our **Motorcycle Tire Seminar**, this event took place from 1:00pm to 2:00pm. The seminar covered the history of the tire and then continued by giving information about construction, side wall numbers and letters, how to choose the right tire for your bike and how to properly maintain your tires. The seminar was big hit with those who attended, "It was quite informative, I'm glad I came" said Chris Maxson.

**May 20th 2007** - A group of us attended the **13th Annual Miracle Motorcycle Ride for Children**. The ride benefits the pediatric services and the Golisano Children's Hospital at University Hospital. The weather forecast for the day didn't look good but luckily the rain held off for the ride and the turn out ended up being quite large, over 600 bikes attended! This year's ride raised an astonishing \$91,000! The event staff was top notch as was the chicken BBQ and live band that followed the ride. We had a small display set up at the event as well; selling leather riding apparel, eyewear and helmets. Our group had a great time and the fact that the ride benefits such a good cause made it even better!
