EVENTS IN REVIEW

August 6th - 12th 2007 - Mike and Joan attended the 67th Annual Sturgis Motorcycle Rally in Sturgis South Dakota. They had an absolute blast at this years rally! The weather was excellent and provided them with some great riding and even better views! Mike said the neatest part about riding in that area is you can ride in one direction and be on twisty mountain roads or another and enjoy the flat straight roads through the prairie. Both Mike and Joan said they would highly recommend attending the rally to anyone who enjoys riding bikes, its an awesome experience having so many bike enthusiasts in one area! View more pictures from their trip on our website!

August 11th 2007 - K&H joined the Mad Hill Riders ATV Club of Erieville at the 61st Annual DeRuyter Firemen's Parade. We rode ATVs in the parade along side our friends from Mad Hill to positively promote the sport to the community. The crowd really enjoyed our Suzuki King Quad 450 with the ALL NEW ITP SS 112 14" alloy wheels and terra cross tires, this tire and wheel package really make this quad stand out! The parade normally draws quite a crowd and this year was no exception, the weather was absolutely perfect was well!

August 18th 2007 - Was another "Give-A-Way Saturday", this month's prize was a supreme wash kit that included a wash bucket, genuine sheep skin wash mitt, genuine leather chamois, power sports synthetic cleaner, wipe down detailing spray, fender, wheel and mini steel brushes! Dan Jones of Groton was the winner, congratulations Dan! View pictures from this event and others on our website: www.knhmotorsports.com! It pays to read our newsletter, you just might be the next Give-A-Way winner!

August 26th 2007 - The Cortland Izaak Walton Chapter held the Southern Tier Bow Hunter Championships. Jeff and Corey attended the event and had a nice display set up with the all new 2008 Polaris Ranger RZR, the recently released fuel injected 2008 Kawasaki Brute Force 750i, Polaris Sportsman X2 and King Quad 700. This was a neat event with some really cool 3-D targets. If you enjoy bow hunting you owe it to yourself to check this event out next year as it's very well run and highly organized, plus its right in our back yard!

*This picture is from Izaak Walton's website; cool shot of one of the 3-D targets!
