

# Automotive Technician Training Class Registration Form

## Toyota Drivability Diagnostics

**Class Instructor:** Dan Marinucci, For the last 19 years, he has written Motor Magazine's monthly import repair column Foreign Service, as well as major tech features. Readers of Crain's Tire Business also have enjoyed his column.

**Who is this class for:** After Dan's seminar, you'll zip through Toyota troubleshooting like top techs do. Included are quick check for nuisance no-code trouble and nagging no start. Learn how to navigate Toyota Self-Diagnostics for the Air/Fuel control system

**Questions?** Contact Bill Ferguson at 804-305-6679 or email: [wfferguson@vaautomotive.org](mailto:wfferguson@vaautomotive.org)
