**SNOWMOBILES**  
**SERVICE**  
Bulletin

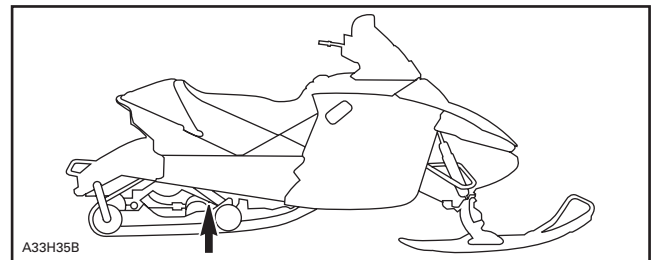

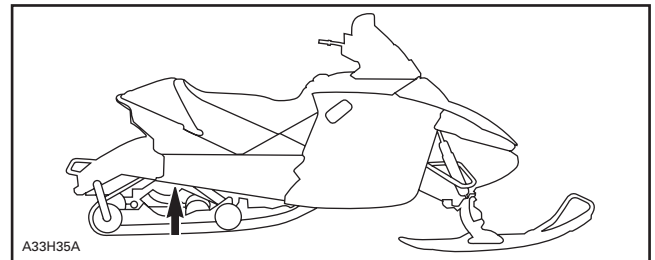

Date: **August 29, 2007** Subject: **Spring Reference According to Load** No. **2008-5**

YEAR	MODEL	MODEL NUMBER	SERIAL NUMBER
2008	All	All	All

The tables contained in this bulletin are intended to annex suspension decal on snowmobiles; they describe additional settings for optimum comfort according to load.

The tables are dealing with **REAR** and **CENTER** springs as shown by the arrow in the following illustrations.

**NOTE:** "C.P." seen in every headings stands for **CAM POSITION.**
