### BUGS GOT YOU DOWN?

Not with a Screen-Pro enclosure. We make extra living space out of that unused deck, balcony or patio. Love the outdoors but hate the bugs? A Screen-Pro enclosure is for you.

### BUG, DEBRIS AND MAINTENANCE FREE

Solid aluminum frame construction and fiberglass screen will allow years of maintenance free use. Roof panels are removable so snow isn't a problem.

## UPKEEP?

Screen-Pro enclosures are a snap to clean. Just hose off dust and dirt. Scratches? Touch-up spray paint will make it look like new.

## VERSATILITY?

Screen-Pro enclosures work anywhere — decks, pools, spas, beaches, backyards, balconies. Want a solid roof? No problem. Railings? We have them. Portable? We can do it.
