

17 BAYS TO SERVE YOU BETTER

ASE Certified Mechanics
with over 100 years combined experience

TIRE TIPS FROM THE PROS:

To best maintain your tires:

- Check Air Pressure on a regular basis
- Rotate tires every 5,000 miles
- Align tires every 12 months or 12,000 miles

It's the People That Make the Difference

Founded 55 years ago, we continue to be committed to treating our customers as friends and our employees as family. It has been a winning philosophy that has helped us successfully service our neighborhood community since 1951.

We have twenty dedicated individuals who understand that "the customer comes first". Sam Wibberley Tire & Auto Service Center can meet the challenges that today's vehicles often bring.

With seventeen clean service bays, a comfortable showroom, sparkling bathrooms and even fresh-brewed Green Mountain Coffee, our aim is to make your visit a pleasant one.

Thank you for choosing Sam Wibberley Tire & Auto Service Center - we look forward to serving you soon.
