Choosing a Spa —

What's your inspiration for owning a spa? Connecting with loved ones? Reinvigorating your body and improving your health? Or escaping from everyday life to renew your spirit?

At Pool Works, our goal is to match you with the spa that best suits your needs. We are experts in spa design, construction and therapy. We will not only take the time to inform but we will also educate you.

Most of all we guarantee your satisfaction! We put our commitment to you in writing in with our "Ten Point Spa Customer Satisfaction Guarantee". We want you to get the most enjoyment possible from your spa, from the time of purchase through the years of ownership.

We are members of the Marquis and Dimension One Spa families and continue to sell them because their philosophy of building superior quality, innovative products and offering outstanding warranties and service that parallels our own.

All of our spas are fully serviced directly through Pool Works by our experienced service technicians who are Dimension One and Marquis trained and certified, so you can be assured of years of trouble free ownership.

There is always an excellent selection on display, so bring your suit, come visit us and take a wet test today!

Family owned and operated, we have been working with families and the business community for over twenty years, providing exceptional, award-winning products and services. Like the Aquatech logo beside our name, we know you will find Pool Works to be Number #1 in Integrity, Reliability and Quality. An overwhelming part of our business is referral from our satisfied customers sharing their experience with others.

A knowledgeable team, great customer service, and outstanding quality are all waiting for you at Pool Works! Contact us via email, at sales@poolworksinc.com, call us at 800-638-8822 or visit our beautiful showroom conveniently located just off Highway 41 in De Pere.

(Please note that the spa color and features shown in the photos in this catalog may differ from the models in the showroom. Please see the "Features" on each spa in the catalog for the colors and features of spa in the showroom.)
