Cleaning Equipment

Leaf Eater

- Removes bugs, debris & leaves from pool floor or surface
- Works with garden hose & a standard pole
- Traps debris in removable mesh bag
- Cleans the pool while filling it with water
- Molded swivel wheels for hard bottom pools or sturdy brushes for vinyl liners

.....Everyday Low Price **\$27⁹⁹** each

Leaf Catcher

The unique design of the Leaf Catcher uses the cleaner's own water flow to create a vacuum within the trap, compacting and holding more leaves and debris, so there's less emptying.

- Leaf Catcher has a greater capacity for leaves and debris than the average pump basket.
- Made of clear UV-resistant materials so you can see when the Leaf Catcher needs to be emptied.
- Easy to clean because only the canister and basket needs to be handled.
- Convenient handle for easier cleaning and emptying

.....Everyday Low Price **\$33⁹⁹** each

Leaf Rake

- Designed for easy removal of leaves and debris
- Screen and frame completely covered with squeegee for scraping fine, loose debris on pool bottom

.....Everyday Low Price **\$26⁵⁰** each

New! Deluxe Leaf Skimmer

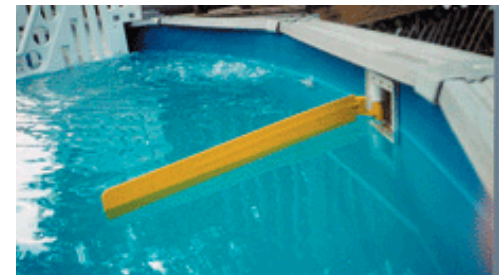

- Innovative puncture proof & tear resistant netting. Simply massage netting between fingers to close holes caused by debris.
- Pickup scoop edge for easier pool cleaning. Heavy duty design for all hard surfaced pools
- Easy, single finger release from telescopic pole.

.....Everyday Low Price **\$25⁹⁹** each

Skim-It

Fits most pool skimmers. Helps remove surface debris

.....Everyday Low Price **\$19⁹⁵** each

Pool Equipment

Automatic Pool Cleaners

Ranger — Above Ground Automatic Cleaner

The RANGER is simply the most efficient and dependable automatic pool cleaner you can buy. It will thoroughly clean your above ground pool — removing dirt, debris, bugs, twigs, leaves, and even pebbles. Plus, it requires no extra plumbing and incurs no additional energy costs.

- Quick to install: Since it's pre-assembled in the box, just attach the disc and hose.
- Dependable: The RANGER has only one operational moving part, the Diaphragm. And less parts means less maintenance.
- Quiet: Other cleaners make an annoying flapper or hammer noise. The RANGER was built to work quickly, effectively and *quietly*.

Ranger..... Everyday Low Price **\$199⁹⁹** each

G4 — Inground Automatic Cleaner

The Zodiac G4 will automatically remove dirt, debris, bugs, twigs, leaves, sand, and even pebbles. It installs in minutes, and comes pre-assembled in the box.

- Patented Long-Life™ Diaphragm: The Zodiac G4 has only one operational moving part— the Long-Life Diaphragm. No gears, wheels or flappers means simple operation which ensures peak performance, maximum power and low-cost maintenance.
- Long-Life™ Hose: Durable hoses are scuff-resistant and are warranted for 2 years against manufacturing defects and all wear and tear. Suitable for all pool finishes including Diamond Brite® or Pebble Tec® finishes.
- Flowkeeper™ Valve with Insta-Skim: Compact self-adjusting flow control valve automatically regulates water flow, ensuring peak performance even with lower horsepower pumps. Plus, Flowkeeper offers pool surface skimming with a turn of a switch.

G4..... Everyday Low Price **\$499⁰⁰** each

Automatic Pool Cleaners

Legend Platinum — Inground Automatic Cleaner

The most powerful *pressure-side* pool cleaner available. No other automatic cleaner is more powerful and stable.

- Ideal choice for inground pools exposed to higher loads of leaves and debris. No other automatic cleaner is more powerful and stable.
- Heavy-duty large capacity bag that removes with a quick twist.
- A large capacity... More debris channel and a huge intake throat easily picks up larger leaves and debris.
- An innovative hydro-dynamic body, front wheel drive/ fourwheel design and treaded tires assure this cleaner can easily access and clean tough-to-reach areas .
- Suitable for concrete, gunite, vinyl-lined and fiberglass pools, it can clean most pools thoroughly in just 1 to 3 hours.

Legend Platinum..... **Everyday Low Price** **\$799⁹⁹** each

Tiger Shark — Inground Automatic Cleaner

AquaVac, the company whose pool cleaners were used at the past five Olympic Games, is proud to offer the most advanced portable pool cleaner made for those who insist upon the very best.

- Tiger Shark calculates the size of the pool and programs itself into the most time and energy efficient pattern for a spotless pool.
- Tiger Shark 's powerful on-board pump sucks up dirt and debris while roving the bottom, walls, inclines and steps for a pool that sparkles rim to rim.
- Tiger Shark is the first portable robot to feature an easy clean reinforced cartridge filter. Simply rinse and clean with a garden hose.

Tiger Shark **Everyday Low Price** **\$999⁰⁰** each

30k **Everyday Low Price** **\$10⁹⁹**

Pool Equipment

Ladders

Model 7000 Eliminator A-Frame Ladder

Fits 48" to 54" above ground pools: Adjustability is made by simply moving side braces up or down depending on pool height.

- Heavy duty construction: Unique one piece hand rail/leg design will hold 300 lbs.
- Five evenly spaced steps make climbing the ladder easier: Most other adjustable ladders increase the space between the bottom step and the next step when installed in a 53" or 54" pool.
- Outer steps swing up and lock into upright position: Some building inspectors now require this instead of a lift-off ladder section.
- No sand required; just fill with water to prevent floating.
- Safety first: Ladder now comes complete with a padlock for added safety benefit.
- Features an anti-entrapment barrier

A-Frame **Everyday Low Price** \$210⁰⁰

Model 6000 Deck Mount Ladder

Deluxe heavy-duty deck mount, in-pool ladder

- Totally adjustable for deck heights from 46" to 56"
- 5" x 18" wide
- Flat treads for easier climbing
- Includes deck platform
- White side rails with grey treads for high visibility.
- No sand required.
- Features an anti-entrapment barrier

Both Models Include Anti-Entrapment Barrier

Deck Mount **Everyday Low Price** \$149⁰⁰

Extension Kit

Extension kit for 56" tall pools.

Ladder Extension Kits..... **Everyday Low Price** \$39⁹⁹

Conversion Kit

Conversion Kits to convert A-Frame 7000 to Deck Mount Ladder

Step Entries

Pool Entry System

Designed for all people including elderly swimmers and physically challenged swimmers. The unique design of the pool entry system allow two units to be joined together to form a complete entry/exit system into the pool.

- Two handrails, with handholds, to pull yourself up and out of the water as you walk up the stairs.
- Five steps, instead of four.
- Top step covers the pool top rail.
- Easy assembly; steps and risers snap into side panels and are held in place with plastic wedges. No metal parts.
- Adjusts to fit 48" to 54" tall pools and decks.
- Holds over 400 pounds.
- Does not rest on or attach to pool.
- Side openings allow water to circulate through unit to inhibit algae growth.
- All plastic construction will not affect water chemistry and will not corrode.

Deck Mount

One unit to be used inside the pool off a deck.

- Includes deck connector for easy attachment to deck.
- Fits decks up to 54" or can fit taller decks using special mounting instructions.

Deck MountEveryday Low Price **\$399⁰⁰**

Combined Entry System

Two units can be combined, making a complete entry system inside and outside the pool. Comes complete with the Gate System.

Combined Entry System ...Everyday Low Price **\$825⁰⁰**

Gate System

Gate for two combined Pool Entry Systems.

- Restricts access to the pool. It is self-closing and self-latching. Satisfies most building inspectors.

GateEveryday Low Price **\$100⁰⁰**

Pool Equipment

Step Entries

Step 1 Deck Mount

- For above ground pools with flat bottoms.
- Easy, snap together installation
- Large, flat steps (each with 270 square inches) complete with two all-plastic handrails

Safety

Cantar Fencing

Fencing can help make your pool safer for kids and animals! This solid 24 inch fencing helps to safely keep unwanted intruders out of the pool and keep toys and water games in. Backed by a 5-Year Warranty.

- Maintenance free, U.V.-protected, resin fence
- Easy installation - Do-it-yourself
- Fits most common makes of above ground pools
- Helps decrease risk of unauthorized use of pool
- Available in kits - buy only as many as you need

To estimate which kits you will need to enclose your pool you will need to count the number of sections between each of your posts on your pool and measure the distance between them. Then call Pool Works. Let us know if you are fencing all or a portion of your pool and we will help you determine how many kits you need for your project!

Aqualuminator

Halogen lighting and water return for above ground pools. Patented technology creates this revolutionary light and return fitting combination. This light fits the existing water return hole pre-punched by most above ground pool manufacturers and can be installed on new or millions of existing pools.

- Light and return fitting
- 25 ft. plug-In cord
- Fits most above ground pools

.....Everyday Low Price **\$249⁹⁹**

Pool Alarm

Pool Equipment

Heaters

Raypak Heaters

All of Raypak heater feature:

- Built-in Wind Resistant Design
- Polyester coated, non-corrosive cabinet
- Non-Corrosive Waterways
- Condensation Protection
- High Flow Rates
- Fuel Efficiency — Energy-smart Raypak heaters consistently achieve the highest efficiency ratings. They exceed all federal and state standards
- Natural or Propane Gas

Raypak 130 Electronic Heater

The Raypak 130 Electronic Ignition gas heater comes with one mechanical thermostat. This control allows you to set your pool or spa temperature precisely at your favorite setting. Truly simple. The 130 comes standard with direct spark ignition flame safety controls. What this means is that the heater only comes on when there is a call for heat. This provides an energy-efficient way to control your heater's gas usage by eliminating the need for a continuous pilot.

The Raypak 130 is the perfect choice for above ground pools and spas. The 130 has up to 30% more BTU's than the competitors above ground pool heaters. More BTU's means quicker heat up.

- Electronic, pilotless, ignition with mechanical thermostat
- Spa or above-ground pool heater
- Completely field-serviceable
- Small footprint
- 2" and 1-1/2" water connections included
- Perfect for Above Ground 24', 27', & 15' x 30' Pools

Raypak 130 Natural Gas or Propane Model

.....Everyday Low Price **\$1,099⁹⁹**

Note: The Raypak Millivolt 130 (pilot light version) also available by special order. Does not require electric power.

Heaters

Enjoy your pool, Extend your season. Have your pool water at the temperature, when you want it.

Its always ready with a Raypak on duty.

Raypak Digital Heaters

The Digital display gives you a constant read out of your pool water temperature. Just set it, and forget it! Truly simple.

- Digital Controls
- Electronic Ignition -What this means is that the pilot only comes on when there is a call for heat. This is a more energy efficient by not having a standing pilot.
- Microprocessor Controlled Thermostat
- Troubleshooting -Raypak Digital has on-board diagnostic controls that let you know what is going on at all times. Pool and Spa settings.
- Backlit LCD display

- Compatible with other automated pool systems, including EasyTouch®, SunTouch® and IntelliTouch® the industry's top seller for years.

Intellipro VS 3050

For Inground pools 10,000 gallons with accessories such as slides, a connected spa or water features to 40,000 gallons. 4 Touch pad control for variable selections. 3HP Variable speed.

..... Everyday Low Price **\$1,215⁹⁹**

IntelliFlo VS+SVRS 3050 Pump

IntelliFlo VS+SVRS 3HP is the first pump with an integrated **Safety Vacuum Release System (SVRS)** which provides an important layer of entrapment protection. Its built-in controller and proprietary software detect blockage of the drain and automatically shut the pump off within seconds.

- Ability to set minimum and maximum speeds— IntelliFlo will only operate within the ranges you set to help assure safe operation and long equipment life.
- For added safety, if the SVRS becomes disabled, the pump will not run. Unlike other devices, the built-in SVRS protection with IntelliFlo cannot be turned off.

For Inground pools 10,000 gallons with accessories such as slides, a connected spa, or water features to 40,000 gallons. 4 Touch pad control with digital display for variable selections. 3HP variable speed.

..... Everyday Low Price **\$1,745⁰⁰**

So sophisticated, its simple!

The truly intelligent pool and spa pumps.

Pool System Automation

Suntouch®

Simple and economical automation for heating and filtration. When your pool only has a few functions to automate, SunTouch® Control System is the perfect solution. With the touch of a few buttons, it will run your pump and heater whenever you want. Plus, you can add some additional features such as lights, an automatic cleaner or a solar heating system.

- One touch function - no complicated routine to memorize
- Ability to program pool and spa and two additional features. All circuits in the system can control four operating schedules (maximum six total schedules per system)
- Supports 4 features circuits for programming convenience
- Compatible with gas or electric heaters, heat pumps, and solar systems
- Temperature control can be set in one degree increments
- Supports IntelliFlo® VS and VF Pumps and IntelliChlor® Salt Chlorine Generator

Suntouch. **Contact Us**

Intellitouch®

IntelliTouch offers advanced control technology to suit individual needs including:

- The flexibility to handle from 5 to 40 circuits that can be used to control any combination of pumps, lights, water features, etc. The pool owner has the ability to set up "themes" with custom names all with one press of a single button.
- IntelliTouch users can also dim any high voltage incandescent light up to eight levels. Also, supports advanced color lighting – Enables users to experience a world of lighting animation.
- ScreenLogic User Interfaces – Enables IntelliTouch users to control their pool and spa features using wireless devices including PDA and Tablets. ScreenLogic systems now have advanced features such as remote monitoring and control over the internet and email alerts for specific events.
- Supports IntelliFlo® VS and VF Pumps and IntelliChlor® Salt Chlorine Generator

Intellitouch..... **Contact Us**

Automation — Put your pool on cruise control with automated control systems

*Scheduling and operating your filtration cycles,
heating, pool and landscape lighting,
sanitizing, waterfalls and fountains...
all will be blissfully automatic.*

Pool Equipment

Chlorinators

Collapsible Pool Floater

- Floats low when full & high when empty
- Adjustable chlorine feed

1 Unit. **Everyday Low Price** **\$22⁹⁹**

New Water Cycler—Above ground or Inground

- Convenience: The pre-filled Cyclor Pac means no more touching or smelling chlorine.
- Precision: The control dial precisely meters out just the right amount of sanitation for each pool.
- Longer Lasting: Trapped air in the upper part of the Cyclor Pac keeps the chlorine dry so it lasts longer with less consumed each season.
- Reliability: Water cycles through only a small amount of chlorine for more uniform and reliable output.
- Model 100 in-line Cyclor for above ground and inground pools up to 18,000 gallons. Uses a 5-pound pre-filled Cyclor Pac (model 105C)
- Model 400 in-line Cyclor for in ground pools up to 40,000 gallons. Uses a 7-pound pre-filled Cyclor Pac(model 407C)

Model 100..... **Everyday Low Price** **\$89⁹⁹**

Model 400. **Everyday Low Price** **\$99⁹⁹**

Rainbow Automatic Chlorine/Bromine Feeders

High capacity feeders are one of the easiest ways to sanitize large residential swimming pools using either chlorine or bromine slow dissolve tablets or sticks.

- Completely enclosed system - no special venting required
- No escaping gases

In-Line Feeders 320 Series: For permanent installation in return line of new or existing pools or spas. Installs in return line on pressure side of pump downstream of all equipment. Standard with 2 in. slip PVC fittings and adapters for 1-1/2 in. Treats 6,500 to 27,000 gallons.

Model 320. **Everyday Low Price** **\$75⁵⁰**

Off-Line Feeders 300 Series: Retrofits into existing pools or spas. Operates on pressure side of pump. Uses 1/4 in. feeder hoses, control valve and fittings. Treats 12,000 to 48,000 gallons.

Model 300. **Everyday Low Price** **\$73⁵⁰**

Combination Chlorinators & Mineral Sanitizers

Pool Frog

Your pool will use less chlorine with far less work while still maintaining crystal clear water. That's because POOL FROG® uses minerals that make the water feel softer and look sparkling clean. POOL FROG®'s patented minerals destroy bacteria with a controlled release formula that lasts 6 months. Minerals also help keep your pH balanced by acting as a neutralizer.

Pool Frog Cycler — Above Ground

POOL FROG® with a pre-filled chlorine POOL FROG®

See our Chemical Section for Cartridges!

Bac Pac inside the POOL FROG® Mineral Reservoir.

- The enhanced control dial allows for more precise control over the minerals and chlorine going into the pool.
- Replace the minerals (every 6 months or once a season) or the chlorine POOL FROG® Bac Pac (every 2-3 weeks), the cap is a snap to remove.

1 Unit.....**Everyday Low Price** **\$171⁹⁹**

Pool Frog XL Pro — Inground

Mineral Reservoir in one Cycler and a 7 lb. Chlorine Pac in the other, for complete pool care with extended chlorine pac life over the regular POOL FROG®. Sturdy construction and durable materials result in a product you can count on to offer the best in pool care for a ten-year warranty.

- The enhanced control dial allows for more precise control over the minerals and chlorine going into the pool.
- Replace the minerals (every 6 months or once a season) and the chlorine POOL FROG® 7 lb. Chlorine Pac with extended chlorine pac life as needed.

Complete.... **Everyday Low Price** **\$299⁹⁹**

Pool Frog® In Charge!

POOL FROG® with a pre-filled chlorine. This back-up support works with the minerals to completely eliminate bacteria, with very low chlorine level. With minerals, chlorine use can be cut up to 50% to 80%.

Pool Equipment

Mineral Pool Sanitizer

Nature²

Nature² allows pool owners to reduce their chlorine consumption while still maintaining a healthy pool. Express installs on existing pool plumbing, using silver and copper compounds to sanitize your water, dramatically lowering the amount of chlorine your pool consumes. Lasting 6 months, this sanitizer canister will last practically one whole pool season for an outdoor pool and will save you significant time and money normally devoted to chlorine maintenance.

Nature² Express

- Reduces chlorine use to just 0.5ppm
- Easy in-line installation, no extra parts or system upgrades needed
- Reduces eye and skin irritation
- Easy to replace cartridge
- Controlled Release Technology (CRT) ensures optimal mineral levels and no staining
- Available for pools up to 25,000 gallons; Cartridge lasts 6 months

Unit & Cartridge.....Everyday Low Price **\$119⁹⁹**

Nature² CF

- Reduces chlorine use to just 0.5ppm
- Fits most cartridge filters
- Requires no electricity, no extra costs
- Improves water quality
- Controlled Release Technology (CRT) ensures optimal mineral levels and no staining
- Available for pools up to 25,000 gallons; Cartridge lasts 4 months

Pool Equipment

Liners

Overlap Liners & Hung Liners

- The Best Grade, 100% Virgin Vinyl: Never recycled vinyl, which can adversely affect a liner's performance.
- Superior Durability. They use only non-embossed vinyl for our above-ground liners. Embossed vinyl varies in thickness, leading to a substandard product that is more apt to rip, wear unevenly or otherwise fail prematurely.
- All Vyn-All® pool liners are also manufactured to withstand the harshest environments. Their liners retain their stability and beauty in conditions ranging from desert-like heat to bone-chilling temperatures of -40°. And they are specially formulated to resist fading from chlorine and the damaging effects of UV rays.
- Quality Craftsmanship: They use high-frequency dielectric RF technology to precisely weld each seam and create a guaranteed watertight seal.
- Easy Maintenance Vyn-All® manufactures its liners for easy care by enhancing its vinyl with products like BIO-PRUF® and All-Clear.
- Added during the manufacturing of the vinyl material, BIO-PRUF is a fungicide that inhibits the growth of microorganisms like mold and bacteria.
- All-Clear is a special clear top coat developed by Vyn-All and applied over print patterns. It reduces the adhesion of soil to the liner while protecting the print design against abrasion, chemicals and UV exposure.
- Worry-Free Warranties: They back up our commitment to quality with the Vyn-All 15-year pro-rated warranty.

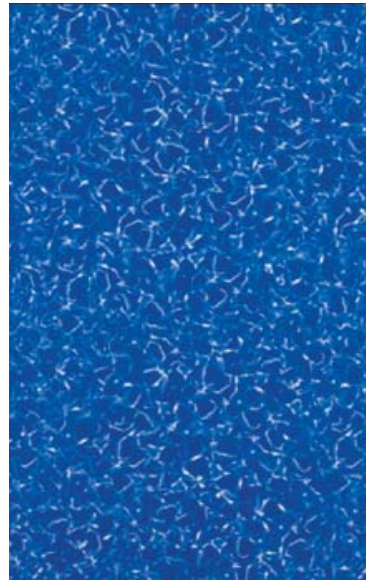

Sizes Start at 12 feet round and to as large as 30 feet round and Ovals as large as 18 x 33 feet.

Spa Covers

Our spa covers are custom ordered to the exact make, model and year of your spa. This ensures their energy efficiency in the cold winter months. Sunstar is the world's largest spa cover manufacturer and has an large library of templates on file. SunStar spa covers feature:

- **Full 3 Year Warranty**
- **Marine Grade Vinyl.** Treated with mildew and UV inhibitors for year-round beauty.
- **Tapered Foam Core.** Standard covers come with 3 1/2" - 2 1/2" taper to keep heat in and allow rain to run off.
- **Vapor Lock Seal with Antaeus 2000™.** State-of-the-art equipment is used to heat seal cores with Antaeus 2000. A scientifically formulated plastic developed exclusively for Sunstar to inhibit moisture absorption.
- **Twenty-Eight Points of Internal Reinforcement.** Every stress point is reinforced including the hinge, handles, straps, corners and skirts.
- **Tough 'N Sturdy Hinge.** Four layers of vinyl add strength to this high stress area.
- **Super-Strength Padded Handles.** Five layers of added strength were it's most needed.
- **Premiere Skirt.** An additional seal to keep heat in and dirt out.
- **Tie Down Straps.** Triple-reinforced straps secure cover to spa or hot tub with locking fasteners.
- **Secure-Loc Fasteners.** Lock with a key for extra safety.
- **Plastic Drain Grommet.** Aids the release of moisture trapped under the vinyl. Will not corrode or scratch spa.
- **Double-Ply Poly-Laminate.** Industrial grade vinyl with durable polyester fabric reinforcement. Mildew resistant.
- **Steel Reinforcement.** Non-corrosive, strengthens center of Spa Top™
- **Commercial Grade Nylon Zipper and Protection Flap.** Heavy-duty nylon zipper is corrosion resistant. Protective flap for easy replacement of core.

- **Hidden Zipper Pull Protection.** Protects zipper pull. Adds quality finished appearance.
- **GHSG™ Super Heat Seal Gasket.** A revolutionary insulating hinge seal that saves heat and prevents moisture loss. Critical to long-term Energy-savings. Also protects bottom from abrasion.
