

Scrip Program

Community Fundraiser!

Please help us give back to those in need of our services by purchasing gift certificates from our Scrip program!

You can buy gift certificates from our Scrip program and the businesses will donate a certain percentage from your purchase to Arc Northland. Money earned from this program helps provide services to our local community for people with disabilities who are in need of them.

We would greatly appreciate your support for our ongoing fundraiser. Please call anytime you are in need of gift certificates. These can be great gifts, or used for personal use. Attached is an order form of available certificates we are able to order and the percentage of the donation that comes back to Arc Northland. For example, if you purchase a certificate for \$25 for a business on the list you will receive a certificate for that amount to the business, and then the next column indicates the percentage amount given back to Arc Northland Scrip program. The percentage amount that is given back to Arc Northland is virtually a donation from you, without you having to spend any extra money.

If you are interested in purchasing certificates, fill out the order form to request your certificates. There is a limited amount of the most popular requests on hand. Others that are not available in the office can be ordered and received within one week. Rush delivery is also available.

Arc Northland is a membership-based organization serving children and adults with disabilities and their families. Arc Northland's mission is to create equal opportunity for quality living and to enhance dignity and respect for people with disabilities and their families. For over 50 years, we have been helping people with disabilities and their families overcome challenges and thrive in community life.

If you have any questions, please contact Crystal at 218-726-4725.

Thank you very much for your support!
