Hi,

Great news! Our Thursday Night Rides are starting up again...this Thursday we'll start just after 6pm from Lodi Motorsports, ride for a while, find a place to eat dinner, then meander on home again...we should return around 9pm or so.

Are you a beginning rider? Not a lot of experience yet? No problem...these rides are set up for everyone! We want you to feel comfortable riding so the speeds will be safe and sane!!

If you need or want more info on the Thursday Night Rides call Mark at Lodi Motorsports 209.368.1400
