

PICKERING VALLEY FEED AND FARM STORE

The place to go for all your poultry supplies.

Brooder Cage

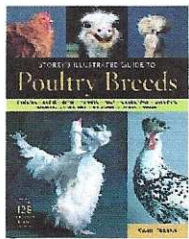

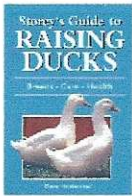

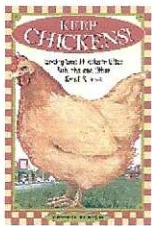

1 Gallon poultry waterer

Jars are molded from durable transparent polyethylene so the water level is always visible. Reservoir and base sold separately.

Books

Pine Bedding

Screw On Plastic Jar

Made of transparent plastic for a clear view of the water level. The jar is durable and holds one quart.

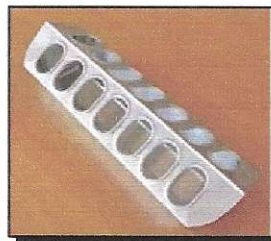

Waterer & Feeder Bases

For use with plastic screw on jar or will work with mason jars.

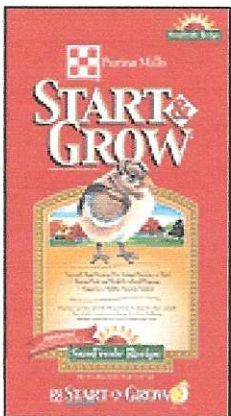

Brooder Heat Lamp

Features insulated porcelain sockets, heavy gauge aluminum reflectors and hang-up hooks. Comes with or without clamp.

Galvanized Slide Top Feeder

Constructed of tough galvanized steel that has rolled edges to keep your animals safe. Feeder has individual holes that are designed to help reduce waste. The top is removable for easy access and cleaning. Available in 12" and 24" sizes.

Purina Mills® Start & Grow®

SunFresh® Recipe is perfect for raising laying chicks from hatch to laying age (18-20 weeks). Start & Grow® is available in both a medicated and non-medicated form for different stages of your baby chicks life. Made from natural plant-based ingredient and is fortified with critical vitamins and minerals to support strong, healthy growth. Nothing extra is needed except water, housing, and love. Purina Mills® Start & Grow® SunFresh® Recipe delivers a level of quality, security and reliability in a wholesome, natural feed you won't find anywhere else.

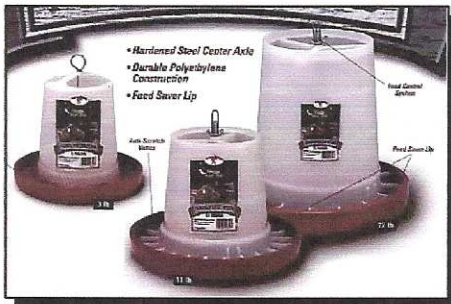

Plastic 20 inch Fliptop Feeder

Manufactured from High Density Polyethylene Plastic. Snap in hinge ensures long lasting use.

Hanging Poultry Feeder

Convenient and economical for feeding poultry, this hanging plastic chicken feeder is made of durable plastic. Available in 3 sizes

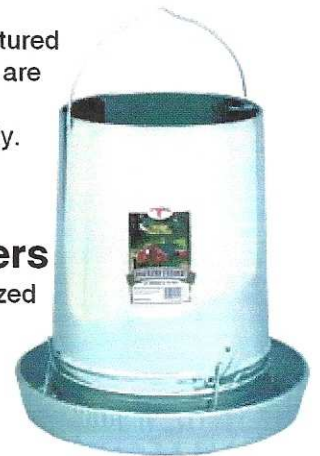

Incubator

Made of durable styrofoam to help retain warmth and keep a constant temperature. Incubator features two 4" X 8" viewing windows ideal for educational purposes with a solid state thermostatic control, thermometer and moisture rings. Wire grill safely supports eggs during hatch period. Automatic egg turners sold separately.

Galvanized Waterers

Little Giant Double Wall Fountains are manufactured from heavy gauge steel for added strength and are available in 2, 3 and 5 gallon capacities. Rolled edges on jacket and pan for added safety. Arched inner handles for easy carrying.

Hanging Poultry Feeders

Constructed of heavy gauge galvanized steel with rolled edges for safety. Available in 12 and 30 lb sizes.

Hanging feeder Baffle

Prevents roosting and helps keep feed clean and dry. For use with 12 and 30 lb feeders. Feeder must be suspended.

Plastic Poultry Waterers

Large capacity waterers are dent-proof and easy to fill. The vacuume-sealing cap creates an automatic water flow. The rugged handle makes transport around the yard easy. Available in three sizes, 3, 5 and 7 gallon.

Egg Cartons

Poultry Protector

A two in one product. The power to control insects and the ability to eliminate odors. Simple, easy and cost effective.
