- Dried Apricots
- Brownies & Cookies
- Marshmallows

Frequently Asked Questions About Our Chocolate Fountains

Does The Chocolate Fountain Use Real Chocolate?

Yes, we use a high quality Belgian Coverture Chocolate.

Do I Have To Set Up, Tear Down & Clean Up The Chocolate Fountain?

Fortunately, we do all the work for you. We will arrive at your special event at least 30 minutes prior to the designated starting time. The fountain will then be carefully set up and the chocolate will be melted and flowing elegantly so your guests will smell the sweet aroma of chocolate when they begin to arrive. We then will clean up and dismantle The Chocolate Fountain when our time has ended. You will only have to enjoy your party!

How Long Can I Have The Chocolate Fountain At My Event?

Our package includes use of The Chocolate Fountain for 3 hours. This does not include set up and tear down, which are done on our time. If desired, additional hours of service are \$50 per hour.

What Are The Table & Electrical Requirements?

Since The Chocolate Fountain weighs approximately 100 pounds when full, a level, sturdy table is a must. If it is not level, the chocolate will not flow properly. Your banquet facility should provide two table linens that will coordinate with your color scheme. The Chocolate Fountain requires a 120 volt grounded electrical outlet within 10 feet of the set-up location. We provide a table and Linens.

What Accompaniments Can Be Used With The Chocolate Fountain?

Examples would be: strawberries, pineapples, marshmallows, pretzels, crème puffs, cookies, etc. Use your imagination!

Please keep in mind that any crumbly-type food that may fall into the fountain will cause the chocolate to get lumpy and not flow properly. Angel Food and Pound Cake are **NOT** recommended.

Who Provides The Accompaniments?

Many hotels and banquet facilities do not allow outside vendors to provide food items - that is either included with your package or an additional item for you to purchase through the banquet facility. Typically your caterer will provide you with accompaniments. We can provide the accompaniments if you wish at an additional cost depending on what items you choose.

Do You Provide The Linens For The Chocolate Fountain?

Absolutely – we provide a Black table skirt and overlay tablecloth as well as an elegant fabric wrap for the base; typically black tulle fabric to hide any chocolate drippings.

Can The Chocolate Fountain Be Used Outdoors?

NO, Because of the chocolate's sweet aroma, little flying pests are very likely to be attracted to the chocolate. Beyond that, maintaining the temperature of chocolate is critical for continued smooth operation. This would be difficult to accomplish in an outside setting along with any breezes or wind that could spray chocolate everywhere.

What Area Do You Service?

Our pricing includes delivery and set up at any facility located in the Duluth/Superior Area. Service is available outside this area but it depends on how far and scheduling restraints.

Do You Require Reservations & A Deposit?

Yes, we require a reservation, a signed contract and a 50% deposit at the time of booking. **Reservations are limited and are on a first come, first serve basis.** The balance of your payment is due at least 14 days prior to the scheduled date of your event
