Dear Arlene:

This is a belated but nevertheless heartfelt thank you for the wonderful rehearsal dinner you and your associates prepared and served at our son's recent wedding in Gordon, Wisconsin. The menu that we chose with your assistance certainly sounded appetizing. The actual preparation and presentation exceeded our expectations. Every dish was outstanding - my particular favorites were the Wisconsin Cheese Torte and the Sesame Green Beans.

I admit to having some reservations about planning and hosting an event that was to be held 1100 miles from our home, and 50 miles from your kitchens in Duluth. I should have known better; your assistance with every aspect of planning, excellent communication via e-mail and phone and assurance that such a long-distance event was quite possible eased our minds. We were not disappointed. The food was delicious, the presentation impeccable, our guests loved it, and most importantly, so did the bride and groom.

Many, many thanks from all of us.

Sincerely yours,

Tanice H. Carlson

Dear Arlene:

Where do we begin to thank you for the fabulous food, super staff and most of all, for your expert coordination of Jennie and Vince's Reception?

You are awesome!

The event was perfect. Right from the start, we had confidence that you would make it all work. The guests were absolutely thrilled with the wonderful array of foods along with the generous portions. I could go on and on....

We had hoped to take a few days off after the reception, however, we'll have to postpone that until fall. We will definitely stop by your restaurant - specifically to try a dessert! During the course of the busy evening and visiting with guests - we totally missed those fantastic desserts - (we heard they were great by the way). This fall, we plan on sitting down with a cup of coffee, some dessert and just enjoying the moment.

Much gratitude. We would love to supply any references!

Dear Arlene & Staff -

Vince & I would like to say thank you for giving us your fantastic cookbook for our wedding. We love to cook & can't wait to try some of your recipes.

Our June 25th wedding at Glensheen was so amazing thanks to you and your staff. The food was wonderful. I wish there had been some dessert left - it must

To Whom It May Concern:

Let me introduce you to Arlene Coco and the wonderful people from Coco's to Geaux. As operators of the North Shore Scenic Railroad, Lake Superior Railroad Museum and St. Louis County Heritage & Arts Center, the Depot, we are well aware of Arlene and her business; Coco's to Geaux.

On the Railroad Coco's is a partner, along with several other great Duluth restaurants, in our Elegant Dinner Train service. Arlene, who started here career as an AMTRAK chef, is great on the train! Her understanding of cooking while moving is very helpful, but her menu expressions are some of the most interesting we offer. Certainly some of the most delicious!

Because of her familiarity with the 1916 Pullman Business Car Northland, when the DM&IR Railroad owned it, when it came into the collection of the Lake Superior Railroad Museum our Board of Directors decided to only allow Arlene's company to serve meals on the car. We feel this is an incredible honor as the Car Northland is the pride of the Museum and Arlene and her crew have always shown the kind of respect we feel is appropriate for this historic treasure.

I know that Coco's to Geaux is very popular in the Depot too, having been hired by many of our guest/renters for weddings, parties, luncheons, receptions and cocktail events.

You will find Coco's to Geaux to be a hard working group of food and dining professionals and Arlene to be a creative, top-notch chef. If you would like a personal recommendation for your event, please feel free to give me a call.

Sincerely,

Ken Buehler
