

Wedding Bar Packages on Location

Your wedding reception deserves to be a fabulous celebration with close family and friends and spectacular cuisine. It is important to put some thought into custom designing your bar to make your event extraordinary.

All bar packages include assorted soft drinks, juices, mixers and sparkling waters, along with bar garniture, equipment and ice. The following are some popular bar options for you to consider:

Full Bar

Chose a full bar of wine, spirits, and beer to suit any taste

Beer & Wine Bar

A condensed bar of beer and wine only

Specialty Bars

Offer your guest something out of the ordinary: Martini bars, Artisan Beer bars, Margarita bars, sake bars, frozen flavored vodkas, or chilled berry sippers.

Wine and Champagne

Serve premium or house wine with your meal, and celebrate with a champagne toast

After Dinner Drinks

Continue the festivities with specialty drinks such as coffees, syrups, cordials, ports or single malt scotches.

All bars are priced based on consumption and have the option of host, cash, or a combination.
