

Ride to Calico Ghost Town 10/10/09!

After our meeting at Carter Powersports a full contingent of motorcycles (12 in all?) set off for the historical Calico Ghost Town off of Rt. 15 before Barstow. Rick and Ann led Paul, Nevin, Scott, Dave, Bob & Lynn, Leo, Kelley, Carl, Gary, Kevin & Karen and Mary down the road on a beautiful day.

Calico awaited us with a full parade of characters in the costume of the 1800s as we had visited on their "Calico Days" weekend. It seemed the crowds almost equaled the town's population in the heyday of 1887! We all had a good time walking in the footsteps of the old silver miners, buying pins and postcards and even checking out some old mines!

And though Scott, Rick and Nevin were thrown in jail for raising dust in town from our motorcycles, we were able to escape from the one-legged sheriff in time to get home before sunset...

Look forward to seeing everyone on our big overnight ride to Sedona and Prescott, AZ on Oct. 24&25. Call Nevin at (702) 280 – 7282 for reservations and details!

Be safe/ Have Fun!
