

# Our Ride to Prescott, AZ 4/24 & 4/25/10!

Our President, Nevin led our small but merry band across the Hoover Dam and into Arizona. After a quick stop at the local J&G gun shop for Bob to reload, we joined the hundreds of riders on the historic and infamous Whiskey Row for Lunch at the Palace Saloon (circa 1878).

on Whiskey Row

Of course, we checked out the rest of Whiskey Row later, late night...

Sunday morning Bob led us on 10 West through Skull Valley and onto 97 North up to Bagdad, AZ on some very tight twisty and undulating roads. Good thing that there were the Saguaro cacti for our turning points!

Nevin, Bob & Craig are officially welcomed to Bagdad!

Hope to see everyone on the next overnight ride to Bishop, CA this Friday April 30 to May 2!

Be Safe/ Have Fun!
