

Our Valentine's Day Ride - February 14, 2009!

We had good weather and a great turnout for our first (romantic!) ride of the year. After a brief meeting and review of the ride route by our new Vice President Nevin, our Desert Riders Club embarked towards Overton where we had plans for a lunch at the world famous Sugars.

We had eight motorcycles plus Leo and Phyllis driving as rear safety car for the day. Veterans John, Bob, Carl & Marge as well as Dave Carter himself joined Nevin, Karen and friends (hopeful new members?) Ray and Patrick on the 200 mile round trip to Overton. We opted for the northern scenic route of 93 North (the Great Basin Hwy) to Coyote Springs and thru the Moapa Indian Reservation. After a friendly lunch and "Valentine Photos" at Sugars we voted to ride thru the amazing Valley of Fire. It truly seemed that we had left earth and landed on Mars!

Thanks for all who joined us! Check out the photos and hope to see you at the next ride!

Be safe/have fun!

"Valentines" Phyllis & Leo
