

Our Ride to Shoshone, CA 11/21/09!

Our lucky number of eight motorcycles of the Desert Riders enjoyed the ride to Shoshone for lunch. We arrived at the "Famous CROW BAR Café & Saloon" in time to get the large table in the back before the other bikers. It was all good food with french fries being their specialty.

Leo, Carl, Dave, Dan, Kristy, Charlie, Kevin, Gary & John (Nevin w/camera)

The day got even more exciting when Kevin could not start his purple VTX 1300. But once again our Road Captain John saved the day with his jumper cables and Leo jumped Kevin's bike. Be safe/ Have Fun!
