Handheld Blowers

No matter what the season, our line of powerful, low emissions, fuel-efficient STIHL handheld blowers can help you clean up fast. Power through outdoor clutter on paths, stairs, walkways or driveways with the STIHL blower in hand. Comfortable and easy to use, our handheld blowers help you clear the yard by blowing debris into piles for quick disposal.

STIHL Feature of the Month

STIHL BG 55 Gas Blower

STIHL's hand-held blowers are lightweight and powerful enough to quickly clean up leaves, grass clippings and other yard debris.

Optional accessories include a vacuum attachment and a roof gutter cleaning kit.

Gas Blowers starting at **\$199.95**
