

How often does a fleet maintenance manager have to worry about scheduling service for the reefer units in his fleet?

Never. **That's our job.**

© 2006 Ingersoll-Rand

No one works harder at helping you manage your refrigeration systems than Thermo King. With the largest dealer and support network in the world, our certified technicians can offer you preventive inspections, maintenance and parts for any brand, type or model of reefer unit in your fleet. And if you can't come to us, we come to you with uptime service trucks available 24 hours a day. In other words, we'll do anything within our control to keep your cargo as fresh as possible down the road. To learn about our Thermo Gard™ service programs, visit your local Thermo King dealer or www.thermoking.com.

Bringing the world to market.
