

A benefit for the Navarro College Foundation

Thank you for your past support of Navarro College students and the Navarro College Foundation!

Through your generosity, last year, Elegance netted more than \$130,000 for scholarships to help Navarro College students realize their dreams of higher education.

Anticipation for this year's event is higher than ever, and we plan to deliver with an improved silent and live auction format, new game opportunities and even more FUN!

The theme for Elegance 2010 is "Le Jardin de la Connaissance," (The Garden of Knowledge) and the gala will be held Saturday, Feb. 20, 2010, beginning at 6 p.m. at the Cook Education Center.

As the cost of higher education continues to rise, we at Navarro College are so very fortunate to have wonderful supporters, like you, who continue year after year to help us help students by raising thousands of dollars.
