

VERIFIED

Verified personal watercraft and jet boats are boats that have been sold and maintained by us since they were new. Typically, this boat will be no more than 4 model years old, have low verifiable hours, and will be in better than average condition. Many will still have a warranty or will be able to have additional warranty added. This boat type is the best alternative to

The fee to the customer selling a verified consignment boat is 12% with a minimum fee of \$1000.00 for a boat and \$800.00 for a personal watercraft.

GENERAL

The boat MUST be in running condition with all electrical items working, have the owners manuals and ALL keys for both the engine and lockable storage. Trailers must have tires in reasonable condition, operable lighting, functional winch, and need both tie downs. The boat should be clean and all personal items removed. If repairs are needed, Kingsland Marine will prepare an estimate. A work order must be signed and the repairs must be completed and paid for prior to the boat being listed for sale. Unsigned titles, along with power of attorney forms for each owner listed on the titles, must be in the possession of Kingsland Marine prior to boat being listed for sale. If the boat and trailer is currently financed, an additional fee of \$120.00 will be payable for overnight charges and paperwork processing. If the boat and trailer are financed and no title is available, the owner must provide Kingsland Marine with a copy of the boat and trailer registration for proof of ownership along with power of attorney forms for both the boat and trailer and finance contact information for payoff. All personal watercraft and jet boats will be charged \$80.00 for engine inspection and compression test (Rotax only). A printed report will be available for the prospective buyer.

The fee to the customer selling a general consignment boat is 15% with a minimum fee of \$1000.00 for a boat and \$800.00 for a personal watercraft.
