Program

Specialized Services

Our qualified Patient Service Technicians provide in home delivery and instruction on prescribed equipment

Service Guarantee

- Sales, Service, Repair and Rental.
- Care of Service plans provided to customer for their respective modality or device.
- Medicare, Managed Care and Workers Compensation authorization and Insurance Billing.
- 24/7 On Call Services.
- Clear written and verbal instructions provided to patient and caregiver on equipment provided.

Mobility Assessments & Modular Ramp Program

Ramp Program

MedSolutions provides the best in custom In-Home Mobility Assessments. Equipment recommendations and quotations provided.

Continuous Passive Motion (CPM) Program

CPM devices are machines manufactured to aid and optimize the rate of recovery for individuals who have undergone joint surgery. The passive range of motion is provided without weight bearing and muscle contraction. MedSolutions provides the latest technology in CPM and is recognized for service excellence in this program.

Diabetic Footwear Program

Properly fitted, therapeutic shoes are critical to protecting sensitive feet. Shoes designed specifically for diabetic feet help prevent blisters, sores and skin breakdown. MedSolutions qualified fitting staff can assist you in the process associated with Medicare coverage, fitting and selection of shoes prescribed by your doctor.
