**SYNTHETIC BLEND**  
 Oil & Filter Change  
**\$39<sup>99</sup>**  
 Under 75,000 Miles

**WHY?**

- Better protection for stop & go traffic
- Better cold start properties
- Reduces oil burn off
- Greater high & low temperature protection
- Recommended for Sport Utility Vehicles, Light Duty Trucks & for use in Diesel and Turbos

**HIGH MILEAGE**  
 Oil & Filter Change  
**\$39<sup>99</sup>**  
 Over 75,000 Miles

**WHY?**

Vehicles with 75,000 miles or more have different lubricating needs.

The High Mileage Oil provides an additive that replenishes the seals in your engine, helping to avoid or limit leaks and possibly reduce the need for costly seal replacement.

This additive is designed to help keep the oil inside your engine—not on the ground.

**SHELL FULL SYNTHETIC**  
 Oil & Filter Change  
**\$59<sup>99</sup>**

**WHY?**

- Recommended or required by manufacturers for specific engine designs & Turbo applications
- Increased fuel mileage
- Superior low & high temperature properties
- Optimal cold start properties
- Enhanced engine wear protection
- Designed for performance-driven cars: BMW, Volvo, Acura, Mercedes and more

Oil change for certain makes & models extra. Includes up to 5 qts. of oil.
