When you buy a Tracker boat, you can be assured of a good deal, no matter where you buy. While most brands are sold using variable retail pricing that is negotiated by each and every customer, TRACKER Boats uses a simple, no-negotiation, nationally published value price policy that is consistent from one Tracker Dealer to another.

Our no haggle, no hassle prices are set at "after negotiation" levels to ensure you always get the best price on the TRACKER Boat of your choice.

The New 2010 Tracker boats have arrived for you to see. Visit us and see the new line-up that best suits your needs. From the Party Barge to the Pan Fish we have them all. Where you buy is just as important as what you buy. So, whatever makes you want to be "On the Water." We have it here at Polaris of Gainesville for you!

The **Tahoe** is a beautiful and versatile boat. It's a combination ski boat, fishing boat and family party boat. The layout is great with plenty of coolers, storage, ladders, fishing platforms with removable fishing seats, live well and much more.

2010 Polaris Side by Sides & ATV's

2010 Polaris Ranger RZR Orange Madness
The 2010 Polaris RZR® S Side-By-Side Vehicle dominates the desert, dunes, and all other the wide open places with its agile patented low center of gravity design and industry-leading 63 MPH (101.4 KPH) top speed.

For 2010, the RANGER lineup is more powerful with the addition of the 800 EFI engine for the new RANGER 800 XP, RANGER 800 HD, RANGER 800 CREW, RANGER 800 6x6 and the RANGER 800 XP EPS with electronic power steering.

Two new RANGER mid-sized models have been introduced. The New RANGER 400 shares many of the features of its full-sized counterparts.

The quiet electric-powered New RANGER EV comes with the

legendary long travel suspension, rugged payload/towing capacities, and has a 25 MPH top speed with a 35-45 miles range.

For 2010, the ATV lineup leverages the all-new, award-winning Sportsman XP redesigned for the best-selling line of 2-Up vehicles with the Sportsman® 850 Touring EPS, Sportsman® 550 Touring EPS, and the Sportsman® 550 X2. In addition, a focus on value with the introduction of the Sportsman® 500 H.O. Touring, and updates

to the Trail Boss 330, Trailblazer 330 and Scrambler 500 4x4.

Have you been told you couldn't buy before? Do you have a trade in that you think just isn't worth the money? Credit problems? We will not lose your business over money.

It's what you have been waiting for, why wait any longer?

2010 KTM Motorcycles

KTM identifies primarily as a dirt bike maker, and a great portion for that identity and success stems from the large product line off-road motorcycles, like the SX and XC lines. Street bikes models include the dual-sport 990 Adventure, 690 supermoto and the high-performance naked Super Duke.

KTM took street performance to the extreme with its new Twin-powered RC8 superbike. The company has also offered scooters, mopeds,

bicycles, ATVs, a sports car and on the horizon are electric dirt bikes. KTM is poised to become the first major manufacturer to produce an electric-powered off-road bike.

We have numerous KTM bikes here for you. We are making lots of special trades right now so bring your bike in and let us look at it. I am sure we can make it worth it.

If you are looking to accessorize your KTM we have Thor apparel and

Answer Fazer boots in stock. Come on down and take a look or check out the website for more information.

Years and years KTM has been the benchmark in off road motorcycles their aggressive approach in hair scrambles and trail riding has set them apart from all other manufacturers. Come and experience their new line of bikes and apparel. Don't forget about the junior sizes, it's nothing but fun for the whole family.

2010 Victory Cross Country

2010 Victory Motorcycles

New for 2010, the Victory Cross Country Motorcycle is a must-have hard-bagger cruiser. With its Freedom V-Twin Engine, 21 gallons of cargo capacity, 4.7 inches of suspension travel, floorboards, cruise control & an MP3-compatible sound system - the Cross Country's comfort, smooth handling, & great power makes it the new leader of the pack. Feel free to come down and take a demo ride on any of our Victory motorcycles. With two new

models out for cruising and touring we have the package you are looking for.

With the "Full Throttle Salute" Victory honors our Armed Forces with an additional \$1000 cash back on any new Victory. Rebates up to \$2500* OR Financing as low as 4.99%** 5 Year Warranty*** (1 year factory warranty + 4 year Polarisstar Extended Service Contract)

We have lots of bikes for you to look at. Find that special seat, that fits your seat just right. It's here, and now's the time, we have the right price for you!

Where you buy is just as important as what you buy. However, in this case, it's all about WHAT you buy. Victory motorcycles have realized that in the market they have chosen, they could not be just the best, they had to be better than the best, and they succeeded. Test Drive one!

2010 Yamaha PWC's

This is just like a motorcycle only on water, but don't just think of touring. This year, Yamaha has upgraded this model with a brand new engine, their 1812cc four-stroke. It delivers all the fun and exhilaration of sportier PWCs, and the list of comfort and convenience features is sure to please. VX series craft now feature a new ride plate design, repositioned new sponsons, and a revised weight distribution that should produce a sportier feel on the water.

We have many models available for your viewing pleasure. Come on down and visit us to see the model you would like to purchase at our new affordable prices. We have lots of specials going on with our Last Season's leftover models!

Trailers are available in aluminum and galvanized in singles and doubles, whatever you might desire.

Check with us about our PWC's and what unique packages we

can produce for you to make your summer a much more enjoyable one for you and your family.

This summer Yamaha has excellent financing packages to go with their superb styling and state of the art engineering. It's a two fold process that can't be beat. A Win-win for you and your family. So get out "On the Water" with your Yamaha and enjoy the very best in Personal Watercraft Excitement!
