## March E-News from Miller Sellner Bingham Lake, Mn. & Sleepy Eye, Mn.

Welcome to the monthly e-news for you the customers of Miller Sellner. This newsletter is meant to keep you informed of monthly specials in Parts and Service Depts., keep you updated on Sales and Financing Programs for all of our products, and to introduce new products.

### Parts & Service

**March is open house month at Miller Sellner. Customer Appreciation Days are from Monday March 10<sup>th</sup> thru Friday March 14<sup>th</sup>. Stop in to register to win a Weekend getaway, 4 sets of Twins Tickets or other Case IH Products.**

For the Month of March all parts in the store will be 10% off excluding sale-priced items. All sale items are cash and carry. Good while supplies last. Sweeps, Disk Blades and Disk Openers 15% off when you use CNH Capitol Card, or 20% off when you pay cash with a minimum purchase of only 20 or more sweeps, 16 or more disk blades, or 10 or more openers.

March will also be the best pricing of the year on our Ez-Guide and Ez-Steer products. Check out

the Precision Farming information on the following pages for more information.

Other CNH Capitol account options:  
 90 days no interest no payments: Minimum purchase \$300  
 120 days no interest no payments: Minimum purchase \$750  
 150 days no interest no payments: Minimum purchase \$1500  
 180 days no interest no payments: Minimum purchase \$2500.00

### Open House Meetings

**March 25<sup>th</sup> at Bingham Lake 10:30 am we will have a 4wd & Magnum Meeting, and at 1:30 pm we will have a EZ-Guide Product Presentation**

**March 26<sup>th</sup> at Sleepy Eye 10:30 am we will have a 4wd & Magnum meeting, and at 1:30 pm we will have a EZ-Guide Product Presentation. Also at 3:00 pm there will be a Tillage meeting with Case IH Product .**

## STX, MX, & Puma Tractors Combines

Our supply of new MX tractors is down to: 0 2008 build dates are filled past spring so new ordered units will not be available till fall unless they are in dealer inventory. Miller Sellner still has a good selection of rental units available after the Spring 08 season but these units are already starting to be sold and we expect them to be gone soon. Now is the time to act if you are interested in either new or used units for fall season. Used MX and Magnum units available are:

- 1 - MX 230 850 Hours, Suspended Front Axle(available now)
- 1 - MX 240 (available summer 08)

STX units are no longer available for spring except for the inventory units we have left and are well into the summer for build dates. If you are thinking of a possible trade on any STX the sooner the better as far as getting in an order. We will do what we can to find you a unit.

New STX units available in our inventory:

- 1 – STX 485 ( on order)
- 1- STX 485 Quad (on Order)
- 1 – STX 435 ( on order)

Used 4wd Units available are:

- 1 – STX380
- 1 – Deere 8770
- 1 – STX430
- 1 – STX480 (coming in)
- 1 – 9150
- 1 - 9130

Puma Tractors are available for Fall 08 but our inventory is gone. Again, the sooner the better for both Short and Long Wheelbase Pumas.

New Combines are now being taken from dealer inventory orders if another dealer has retained a unit. There-fore, our new Combine inventory cannot be guaranteed at this time. We do have 1 new 2388, 1 new 2577 and 1 new 2588 now.

Used Combines Available are:

- 2 – 1660's

- 1 – 1688
- 1 - 1680
- 1 – 2188
- 5 – 2388's
- 1 - 8010

Please call us or check our Web site for any used pricing on tractors and combines.

## Precision Farming Updates

I have been saying for 2 months that spring updates for precision farming are starting to be released. To date, we have not seen all of them yet!!

The only update we have received from Case IH is for the CIH Pro 600 monitor. This update allows us to have auto planter shutoff on 1200 planters for those of you using GPS with the Pro 600. This requires upgrades to both the Planter and the Tractor and needs to be done with the computer. Do not wait until the last minute if you have a Pro 600 to update.

Ag Leader Insight monitor upgrade is now released. This is Version 5.0. The new features for 2008 Seed Command include: Population monitoring for Kinze planters with KPM 1, 2, or 3 monitors, Kinze Hyd. seed rate control, Rawson Stepper Seed rate control. For Direct Command they include: NORAC Boom Height Control(still to come not ready yet) and Direct control of Raven Sidekick injection units.

SMS Software will be going to 8.0 around mid spring and effective March 31<sup>st</sup>, the price of the SMS software will also be increased. Version 7.5 software will work with the new Insight update, but as always it is cheaper to stay current with the software. Ag Leader offers a support program for SMS software. For \$120.00 per year you will receive unlimited phone support from Ag Leader and this also includes the software upgrades.

EZ-500 Updates are not available yet at the sending of this letter. Again, we expect them soon. During our open house you can bring in your Ez-Guide Lightbars for a free upgrade and

we will install the upgrade when we receive the file from Trimble. During Open House, we will have the EZ Products on sale. This will be the best pricing of the year.

EZ-500 – \$2795.00

EZ-250 – \$1395.00

AG15 antenna for 250 – \$350.00

EZ-Steer – \$3295.00

EZ-boom – \$1795.00

## Ski Doo 2009

Spring Promotion is now on for the new 2009 Ski Doo Snowmobiles. This includes the new 600 E-Tec Sled and the new 1200 4 Stroke.

Weather permitting the 600 E-Tec will be available to drive March 10<sup>th</sup> thru the 14<sup>th</sup>. We will also have a full line up of ATV's on hand during open house.

## Get the Right Parts

Several of you have purchased new or used equipment this past year.

Remember, serial numbers are always needed to get the correct parts and save you having to make a second trip due to the wrong parts. If you have acquired a piece of Case IH equipment on an auction or from another dealer, take the time to e-mail us the serial numbers so they will be on file at the store.

Depending upon the Weather there may not be a newsletter for April and May. Have a great spring planting season

## New and Used Equipment Financing Programs for March 2008

New Tractors

- DX Series **3 Years: 0.00%**

Limited Units..... **4 Years: 0.00%**
