AUSTIN-HARLEY INC.

The Alpine Gear “Over Drive” Series is our unique Wheel to Wheel step bar design. The “Over Drive” series features our bridge and truss rear bracket system, this one of a kind design allows you to support the bed step with the truss bracket and transfers the user’s load to the frame via the perpendicular bridge attached to the truss and the step bar, all by mounting to the cab section only. This eliminates stress on the bar and rattling.

SALES POLICY

WARRANTY STATEMENT

Lifetime Warranty for 304 polished stainless steel step bars. Alpine Gear guarantees the original purchaser a lifetime warranty against rust from the tubing and a **One Year** warranty on mounting hardware. Our workmanship is warranted for **One Year** against manufacturing defects. This warranty excludes dents caused by gravel, shipping, or other foreign means. Although stainless steel tubing can be scratched and lose its luster it may be waxed and / or buffed to retain its mirror-like finish. The warranty excludes damage caused by neglect, misuse, abuse, improper installation or modifications. Please note this warranty does not include costs for removal, installation, consequential damages or inconvenience. Warranty claims must be presented to the original place of purchase with the receipt, inspected and returned to the manufacturer for repairs if necessary. Please Note: The installation hardware is carbon steel with a two stage finish (e-coat and powder coat), it may rust over time but may be recoated to maintain its appearance.

10 Year Warranty for 409 stainless steel powder coated black step bars. Alpine Gear guarantees the original purchaser a 10 Year Warranty against rust from the tubing and a **One Year** warranty on mounting hardware. Our workmanship is warranted for **One Year** against manufacturing defects. This warranty excludes dents caused by gravel, shipping, and other foreign means. This warranty excludes damage caused by neglect, misuse, abuse, improper installation or modifications. Please note this warranty does not include costs for removal, installation, consequential damages or inconvenience. Warranty claims must be presented to the original place of purchase with the receipt, inspected and returned to the manufacturer for repairs if necessary. Please Note: The installation hardware is carbon steel with a two stage finish (e-coat and powder coat), it may rust over time but may be recoated to maintain its appearance.

RETURNED GOODS POLICY

Prior to returning any goods: Call for a Return Goods Authorization number (RGA). No merchandise will be accepted without prior authorization. Warranty items will be inspected and determinations will be made for credit or repair. Unused inventory may be evaluated and charged 20% restocking and handling fee, additional fees may be added for replacing missing or damaged parts or cartons.

RECEIVING INBOUND SHIPMENTS

When receiving inbound shipments from Austin-Harley it is essential that the shipment is closely inspected for revealed damages and evidence of concealed damages. Once you have signed for the shipment in "Good Condition" any claims will need to be handled by your organization. If a package or shipment has damage and is noted on the Bill of Lading, Austin-Harley Inc. will handle the claim and inconvenience for you.
