

Our Pettis Pools Pool Park loves visitors...

Welcome to our Pool Park at our Greece location, 1186 Manitou Road.

You'll find a 20' x 34' **Fox Lagoon inground pool**, three **above ground pools** (*right now, an 18', 24' and 27' complete with deck*) plus a **Softub** that's warm and ready for anyone who wants to give it a try. We even left part of the backfill away from our beautiful inground pool so you can see the Fox X-brace construction in action. Our pool is equipped with a heat pump, salt generator, 4 custom deck jets and bench seating.

And yes, that's a tent you see on the left, housing a temporary **hot tub display** as it surrenders its usual indoor spot to **patio furniture** and **pool accessories**. Be sure to visit there too. So much to see!

Come learn how Pettis Pools could help make this summer the very beginning of years of backyard fun and healthy exercise for everyone.

We'll be waiting for you.
