

## DONATION REQUEST FORM

Moon Motorsports welcomes the opportunity to support our community and customers as best we can. Although there are many worthy causes to support, it is not possible for us to contribute to them all. We do, however, make an effort to support organizations within our community that support our rights to participate in motorsports or have a history of giving back to the community. Fundraisers and benefits for persons who have been customers of Moon Motorsports and have come upon difficult times are also entitled to consideration on a case-by-case basis.

Upon receipt of this completed form, Moon Motorsports will consider the request and respond within a two-week period. Our decisions will be based on the interests of our community and business and are not intended to determine the worthiness of a cause.
