In Semi Pro Stock Mees qualified in 4th place, Broberg in 5th and Martin in 7th. In the final, Broberg came from the back and finished with an amazing 4th place. Mees finished 5th and Martin in 11th place.

In the Pro Open final Emil Ohman pulled the hole shot for the lead and finished 2nd place to celebrate his first podium in the National ISOC series. Tremblay tipped over on the start and finished 12th place. Because of his leg injury last weekend Salemark did not race.

As the ACSS National's wrapped it up at Rockingham Park the riders raved about the awesome track. It was challenging with a combination of manmade and natural snow with the long minefield front whoops section. The Pros averaged 32-second laps taking in tight turns and double and triple jumps.

With four podium finishes and a great team effort everyone is looking forward to the next race in Sarnia, Ontario next weekend.
