The Conference Center at Padonia Park Club

The Lakeside Rooms and Clubroom offer...custom floor plans, multiple meeting rooms, audiovisual capabilities with an onsite technician as well as post-meeting "outdoor" options - relax by the pool with a Baltimore tradition of hot steamed crabs, volleyball or softball. Padonia Park Club's full service catering staff provides custom menus for breakfast, lunch or dinner options. Ask about our team-building facilities, too!

Quoting the Baltimore Business Journal, "If you like to show that you value your employee's contributions and to build a closer relationship with them -- while also increasing teamwork skills and improving morale -- reconsider the old-fashioned company picnic."
