

# Padonia Park Child Centers

Newsletter February 3, 2010

## Fall Enrollment Contracts

Contracts for the 2010 - 2011 School Year have been sent home. If you are interested in securing a space for next year please sign and return with the Activity Fee for the program you have chosen. If you have any questions please let me know.

## Dental Health Visit - Tuesday, February 9th

We will be having a dental health visitor in our school on Tuesday, February 9, 2010 from 3:30-4:30 PM. The children really enjoyed this presenter last year. If you are an early pickup please try to delay until 4:30 PM so that your child may participate.

## Valentines Parties - February 12th

See your classroom teacher for details!!

## Pre-Kindergarten Field Trip - Friday, February 26th

The Pre kindergarten and Orange classes will be attending the performance "The Science of Sound" at the Meyerhoff Symphony Hall. The performance is scheduled to begin at 10:00 AM.

Our schedule that day:

Bus Loading @ 9:05 AM

Return to PPCC @ approximately 11:30 AM

We have a limited number of tickets to the show. Also, due to the manner in which the show is managed we do not have a need for excessive chaperones. We will be taking 40 children; 5 staff and 5 parents. Chaperones will be chosen by lottery the green room will have 3 and the orange room will have 2 chaperones. Please see the teachers if you are available that day and would like to put your name in the drawing. We will draw one alternate for each class in the event that a chaperone cancellation or student illness frees up additional tickets. All chaperones must ride the bus.

## **Coming Up in March:**

### Donuts For Dads - Tuesday, March 9, 2010

Please join us for our annual visiting day for Dads and Granddads. Donuts, Fresh Fruit, Coffee, Tea and Bottled water will be available:
