

For Immediate Release

01/18/08

New Product Announcement

03-08 Dodge 2500/ 3500 5" & 3" Coil Spacer Suspension Systems

Pro Comp Suspension is proud to announce the release of the 2003-2008 Dodge Ram 2500/ 3500 5" & 3" suspension systems. Systems feature a coil spring spacer instead of coil springs. Newly designed drop pitman arms, adjustable chromoly track bar (5" kit only) and track bar relocation brackets are used for steering correction. Also included are new upper and lower control arms to preserve factory alignment specifications. Systems include MX6 adjustable front and rear shocks for exceptional performance, or ES9000 front and rear shocks to improve ride quality. 5" of lift allows use of 35" x 12.50" tires (3" lift allows 33" x 12.50 tires), on wheels up to 9" wide with up to 5.25" backspacing.

Vehicle shown with 35"x 12.50" tires on 20"x 9" wheels.

Shock Options
