

For Immediate Release

## **New Product Announcement** **06-09 Jeep XK Commander** **2" Poly Lift Spacer Kit**

***So you are on a budget but you want to fit a larger tire on your XK?***

***No worries!***

Pro Comp Suspension's new Poly Lift Spacer Kit is just what you need to lift your 06-09 Jeep XK Commander. Each lift spacer kit incorporates a precision computer aided designed (C.A.D.) spacer molded from a proprietary urethane formulation that allows the stock springs to be maintained providing a supple ride without sacrificing articulation on or off road. The kit comes complete with all necessary hardware and instructions for installation. 2" of lift allows use of factory wheels with 30" x 10.50" tires or 17" or larger diameter aftermarket wheels up to 8.5" wide with up to 6" backspacing.
