

# CLEARLY THE WORK OF POOL CARE EXPERTS

**A BioGuard® pool is clearly, unmistakable.** It begins with the expert care and vast wealth of pool knowledge we can offer as your local BioGuard Dealer (the Pool Care Pro). And eventually – with computerized water testing to guide you, a wide range of proven BioGuard products at your disposal and a comprehensive plan tailored to your pool's specific needs – the student becomes the master. Come visit our store today and become the clear expert in your neighborhood.

BioGuard is a trademark of BioLab, Inc. – [www.BioGuard.com](http://www.BioGuard.com)

THE DIFFERENCE IS CLEAR.

**BioGuard Dealers have one goal in mind** – helping you achieve a pool you can be proud of.

Our friendly, caring staff is well-trained on all types of pools and can recommend a complete maintenance system just right for you. We understand your pool is much more than just a body of water and that you want beautiful, sparkling clear water every time you jump in or relax in the backyard. Come visit us today for a complimentary water analysis, sound advice and superior products and services that make sure every poolside moment is one to remember.
