DUAL SPORT ADVENTURE

September 20th - 21st 2008

Start and Finish in Ukiah, CA with overnight at Fortuna, CA

Non-Competitive event, Approximately 175 miles each day

Come join us and explore some of the least traveled roads and trails in Northern California. Witness breathtaking views as we navigate through the coastal mountains and past rivers and lakes.

The base route will be passable by all dual sport equipped, adventure touring and "Big Trallie" motorcycles. We will be offering many optional "hard" splits intended for advanced riders.

Your motorcycle must be street legal, insured, meet current 96db sound requirements and make 100 miles between fuel stops. Jart style roll chart holder needed for route sheet.
