SABATINO'S Lido Shipyard Sausage Company

Welcome to Sabatino's

You are about to experience a type of cuisine not known in the Country.

As you know, we are famous for our unique sausage started by the Sabatino Family in Sicily in 1864. This sausage is blended with a special goats milk cheese from Sicily. The natural moisture from the cheese makes this lean meat juicy and flavorful. All our food is prepared Sicilian style, fresh to your order. You will find all of our food of an extreme excellence. We serve award winning Caesar salad and the most delicious of soups.

We hope your dinner will be a great experience. We encourage you to share this experience with your family and closest friends.

Try our Italian Style brunch from 8:30 until 1:00 P.M., Saturday and Sunday.

We also have fresh sausage to take home.

read and sometimes even see,
you can believe what you taste."
