Wheelchairvehicles.com Warranty

wheelchairvehicles.com warrants its vehicle modifications for a period of one year. Components installed by wheelchairvehicles.com may carry separate warranties by individual manufacturers. Consult the component owners manual for specific details.

This warranty commences on the date the modifications are put into service. The warranty is limited to the original purchaser and does not cover defects in the motor vehicle on which the equipment is installed or defects in the equipment caused by a defect in any part of the motor vehicle. The warranty does not cover normal maintenance, service or periodic adjustments necessitated by use or wear.

This warranty will become null and void if the equipment has been damaged through accident, misuse or neglect or if the equipment has been altered in any respect.

Chassis Warranties

Most of the major American Automobile Manufacturers in today's market are offering a three year or thirty six thousand miles bumper to bumper warranty.
